WELCOME TO SMITHY'S

This is a special place where our club comes together, named in honour of Paul Smith — a humble Sharks legend whose story reflects loyalty, resilience, and lasting commitment. Joining the Sutherland football scene as an enthusiastic 8-year-old in 1961, Paul quickly stood out, becoming part of our first-ever State Champion team.

Promoted to First Grade in 1971, he overcame a serious injury to captain the Sharks to the memorable 1978 Ampol Cup victory, retiring in style with a goal in his final match. Off the pitch, Paul continued his dedication to the Sharks as a coach, committee leader, and finally Club President for more than 15 years. His lifelong service was honoured with the Charles Valentine Medal in 2017.

Raise your glass to Paul Smith — a man who defines what our club stands for.
